

HOW TO PLAY DRUNK POKER

F L O A T W I T H F L O A T

1. FIRST STEP

All players form a circle like the picture on the left.

like this →

2. SECOND STEP

Place the cards face down in the middle of table

3. THIRD STEP

Draw cards in clockwise
or counterclockwise

4. FOURTH STEP

Follow the instructions according to the card function

DRUNK RULE

DRUNK POKER is suitable for 2 - 12 players.

To begin, place all the cards in the center.

Players take turns drawing one card at a time in clockwise or counterclockwise order

following the instructions on the drawn card.

The JOKER (Pay the Bill) card is optional and can be included or excluded based on group discussion.

Once a card is drawn, do not return it to the deck put it aside.

If you draw an A, 5 or 8, keep the card for future use when necessary.

If you draw a 2 or 10, hold onto it until the next person draws the same number, at which point you may discard yours.

You can keep this card to skip a drink once or assign someone else to drink.

If someone draws a “DRUNK BUDDY” whoever holds this card must drink. Pass it along until the next person draws a DRUNK BUDDY card to replace it.

Pick someone to asking you “
NEVER HAVE I EVER ____”

Drink one shot yourself, quickly.

Hold this card until you
Pick a time
and shout "Freeze!"
anyone who moves
must drink.

Pick a mini game and choose
someone to challenge
Loser drinks one shot.(like Rock-
Paper-Scissors)

Nothing happens. Just pass
the draw to the next player.

Only the person holding this card
can go to the toilet.

If anyone else wants to go,
they must finish a drink before
borrowing the card.

Pick someone to asking
you truth or drink

From now on, you're the
"PSYCHO"
Anyone who talks to you
must drink.

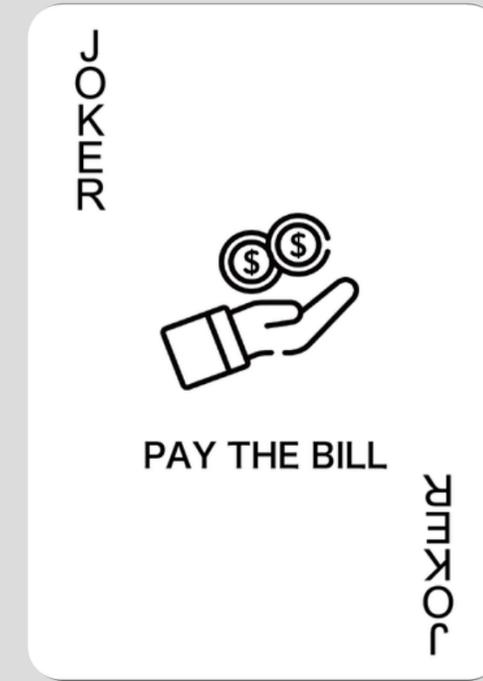

Whoever draws the next 10
becomes the new PSYCHO.

The person before you
drinks.

The person after you
drinks.

Create a new punishment.
Whoever draws the next K
must take the
punishment.

IF you guys playing
outside, anyone draws this
card
should pay the bill
